February 29, 1988

Dear Dr. Green:

Care West Heber Nursing Center is currently in the process of forming a community and family support group for those individuals who are dealing with Alzheimers Disease and other related disorders. This support group will be a member group of the National Alzheimer Disease and Related Disorder Association.

We hope to organize this support group during March and tentativley planned our first (1st) meeting for March 15, 1988 at 7:00 P.M. at the Care Center.

The main purpose of this letter is to ask for your support in helping us organize this vital and helpful support group in our community.

Would you please take the time to notify your patients and their families who would be interested in being group members. If you would pass this information on to the respective individuals you will be doing them a service and we will be very grateful.

If you or your clients have any questions or concerns about the group please contact us at the Care Center. Our phone number is 654-5500 and we are located at 160 West 500 North in Heber City.

Thanking you in advance for your cooperation and support.

Respectfully,

Todd V. Winder
